Plague

Your people are sick.

In the next trading phase, you may not speak and must remain seated.

This card is worth -2VP if held on the final turn.

Complacency

Your people are lazy.

In the next trading phase, you may only trade for three cards. Place the cards traded for under this card to count them.

This card is worth -2VP if held on the final turn.

Famine

Your people are hungry.

In the next trading phase, you must accept trades for grain for a card of their choice that you own. You may choose the order to accept trades.

This card is worth -2VP if held on the final turn.

Slave Revolt

Your slaves revolt.

At the start and end of the next trading phase, any slaves you own must be placed in the trash.

This card is worth -2VP if held on the final turn.

Corruption

Your government is corrupt.

In the next trading phase, you may only accept trades that offer more than one card.

This card is worth -2VP if held on the final turn.

Civil War

Your people are at war.

In the next trading phase, half of your cards (rounded up) are kept under this card. These cards will be returned to you at the end of the turn.

This card is worth -2VP if held on the final turn.

Calamity

Calamity

Calamity

Calamity

Calamity

Calamity

Redist Zealots

Redist Fanaticism has taken over.

After the next trading phase, all cards you spend with redism have no trade value.

This card is worth -2VP if held on the final turn.

Redist Heresy

Secret Redists influence your civilization.

After the next trading phase, you must use all redism cards you own.

This card is worth -2VP if held on the final turn.

Flood

Your people are wet.

In the next trading phase, you may not propose trades in any manner. You may only accept or reject trade offers.

This card is worth -2VP if held on the final turn.
